Ross, Jr. asked about the emergency shower project. Cody McElroy explained to him that it was necessary due to the chemicals that the employees are working with at the water plant. This year our department is at 627 citations. Also in previous years there has been approximately 66 arrests; this year we are at 76 arrests. He believes that this is because they finally have a Chief that leads from the front. He also attributes the credit towards Officer Dustin Folk for his efforts and ability to get drunk or intoxicated drivers off the road.

E. Council Reports- Council Member, Robin Richards stated that she had received a couple of emails regarding Kicking Back @ King Alley. The first stated that they are really enjoying the event and believe it to be great for the town, but they would like to see a food truck available.
