**WARRANTY**  
Many of the products we offer are only available in professional grades and are not the same as look-alike items in home centers. Our on-site replacement warranties are highly regarded as a no-hassle alternative to home center bring-it-in or send-it-to-the-manufacturer warranties. Also many service companies only offer a 90, 60, or 90 day warranty. We know the products we furnish have been carefully selected and for this reason we feel comfortable providing the following written warranty.  
**PRODUCT WARRANTY**  
All parts furnished by Steve Huff Plumbing are guaranteed to be free of defects for a period of **36 MONTHS** of normal use or we will repair or replace it for FREE! (Does not apply to home owner supplied parts.)  
**LABOR WARRANTY**  
Most product warranties do not include labor or only include it for a limited period of time. We wish to provide you with the highest level of professionalism and service in the industry and warrant our labor for a period of **36 MONTHS**. This is the labor to repair or replace the parts we furnished, and not to correct other problems unrelated to the initial repair.  
We hope you agree that these increased levels of service and warranty come with a value that you don't see anywhere else. Above warranties are transferable. (See additional warranty information on back.)

**A WORD ABOUT DIGGING**  
Outside sewer and water line replacements will be machine covered and returned as close as possible to original grade. Whether or not the ground settles below the original level is beyond our control.
