III. APPROVAL OF 2010-2011 SANITATION BUDGET

Chairman Craft asked if any discussion?

Town Manager Templeton stated there was a change proposed by council last week under the salary for the attorney to lessen the amount on the sanitation part and increase it out of the general budget and I think this board will have to vote to approve that. He refers to line item 081 516 6245 LEGAL. Council is proposal is to reduce that amount of \$2,500.00 to \$1,000.00 and we will make the change to the regular budget next week. This is something that you would have to make a motion to make that change.

Council Member Coates stated that is because of the legal amount the time for the attorney less than so much since the Scott County PSA is taking over most of it. Not much need to budget that much money to that line item.

Make a motion to reduce Line Item 081 516 6245 to \$1000.00.
