- Discussion centered on the items that will need to be changed / eliminated to meet the budget. A lot of questions concerning the difference between credit / credit + taxes & fees / Credit Accepted.
- A decision was made to keep the \$6,500.00 bond as part of the contract.
- We may be able to get a community organization, like Scott County Community Garden, to help with the landscaping.
- Remove Site Lights – to be installed later, putting in junction boxes instead.
- Skate/Pump Track paving – we want to move ahead with paving a base for it and to pave for the Farmers Market and other future uses.
- Greg Jones to contact Quesenberry's Construction with questions and get clarification on other items.
