Motion by: Dexter Harmon — 2nd by: Wallace W Ross Jr.
VOTE: Aye: 5
Nay:
Absent:

IX. PUBLIC COMMENT (Will be limited to 3 minutes per speaker)

NONE

X. COMMUNICATIONS

NONE

XI. REPORTS (All reports given will be included with your packet. Any questions about the reports will need to be discussed with the department head PRIOR to the meeting.)

A. Engineer Status Report – Jason Snapp

Engineer Report
Town of Gate City, VA
Status as of 7/9/26

VDH Backup Generator Project
Funding Agency: Virginia Department of Health
Funding Package: $1,558,760 ($1,080,632 local funds/$478,128 grant)
Project Schedule:

- **TBD** Advertisement/Bid/Construction Pending Easement Acquisition

Awaiting to submit the pre-bid package to VDH till the required utility easements are acquired. The Town and M&C met with two of the three property owners where easements are needed on 3/4/26 and have answered various follow-up questions from the affected residents since those meetings. Currently, one easement has been signed and there are two additional property owners that still need to sign. Town Manager Greg Jones and Calvin Clifton (M&C) are scheduled to meet with the remaining two property owners on (7/9) and (7/15). The project can go to advertisement once the easements are procured and the pre bid package is approved by VDH.

Kane St. Sidewalk
Funding Agency: VDOT (Transportation Alternative Funds
Funding Package: $1,968,395 ($393,679 local match/$1,574,716 grant)
Project Schedule:

- Advertise Project – June 2026
- Bid Opening – July 2026
- Contract Award – September 2026
- Begin Construction – September 2026
- Substantial Completion – March 2027
- Final Completion – April 2027

Project is currently advertised for construction.

Manville Road Sidewalk
Funding Agency: VDOT (Transportation Alternative Funds
Funding Package: $1,703,241.20 ($170,324.12 federal grant/$1,532,917.08 state grant)
Project Schedule: **TBD** Pending Design Completion and ROW Acquisition (See potential schedule below)

- 60% Completion – July 2026
- VDOT Review – August 2026
- Easement/ROW Acquisition – September 2026 – September 2027

- 100% Plan Development – September 2027
- VDOT Review – October 2027
- Advertise Project – November 2027
- Bid Opening – February 2028
- Contract Award – February 2028
- Begin Construction – March 2028
- Substantial Completion – September 2028
- Final Completion – October 2028

Storm drainage design for the project is being revised to address some critical areas. Required easements have been defined for acquisition. Once required ROW and easements are established the Town can request VDOT open the ROW phase of the project. This will allow negotiations with the affected property owners to procure the needed ROW/easements. Once ROW is procured 90% and 100% plans can be finalized. M&C met with VDOT on 6/5 to discuss the pending ROW phase with the expectation that 60% plans will be submitted to VDOT by early July. Once ROW plans are accepted and the ROW phase is opened we expect the easement acquisition to take 12-18 months before final construction plans can be fully developed.

B. Town Manager's Report -Greg Jones

Town Manager Report – July 14th, 2026

- **Dog Park Project**

August 2025 - The Planning Commission is currently working on developing temporary signs for the dog park. The signs will be for the dog park itself, large and small dog areas. The signs will be used until the wayfinding sign project is complete.

October 2025 – Temporary signs for the Dog Park, large and small dog area has been ordered and received. The permanent signs will be a part of the wayfinding sign project that is currently being planned.

- **VDH Backup Generator Project – WSL 007-21**

May 2026 – The Easements with the corrected year have been received and sent to the effected property owners. We are expecting the sign easement to be returned shortly.

July 2026 – We have obtained one of the four easements for this project. Mattern & Craig and I will be meeting with one of the property owners on July 15th, 2026 who has water pressure concerns. We did find an old PRV on a 3" line that needs to be replaced. The new PRV will be installed this week. The third property owner is out of town. We will schedule a meeting as soon as she gets back.

- **Water Street Community Park Project**

April 2026 – The pickleball and basketball courts coating remains to be completed. Originally Council determined the pickleball court will be green with white lines. However, having a separate

color for the 'kitchen' is what pickleball prefer. Council Action: Review proposed pickleball color scheme and vote to change colors if needed.

I have applied for grant funding for the Farmers Market with the Cumberland Forest Community Fund. That application was for $15,000 and will work with the $44,000 already awarded through the Governor's Agriculture and Forestry Development Fund. The RFP for the new Farmers Market outdoor market will be developed and advertised this week.

May 2026 – The coating for the Pickleball and Basketball courts has been completed. We are currently awaiting the inspection report for the electric vehicle charging stations to be completed.

Introduction to Pickleball classes will be held on Saturday, May 30th, 2026. This class is free but limited to 16 people.

Pickleball lessons will be held on Saturday, June 13th, 20th, and 27th. Classes will be in two groups: Kids ages 10 – 15 and Adults 16+. Classes will be limited to 8 people per class, and the charge is $5.00 per person.

June 2026 – The new Community Park is now open with the exception of the basketball court. The basketball court is pooling water at the basketball goal post. We have received two options to remedy the issue from the contractor: **Option 1** involves grinding low spots, building up the surface with fill material, then applying a primer/resurfacer and color coat for a uniform appearance — but carries a risk of simply relocating the drainage problem due to the court's limited slope. **Option 2** constructs a shallow swale behind the posts to channel water off the surface, is faster, causes minimal disruption, and can be coated to match the existing court. The contractor recommends starting with Option 2, noting that if the swale alone proves insufficient, Option 1's cement buildup approach can be used as a follow-up corrective measure.

Council will meet with the contractor on Monday, June 8th, 2026 at 3.00 PM to discuss further.

The pickleball court is open. The Intro to Pickleball class scheduled for Saturday, May 30th, 2026 was cancelled due to rain. The Pickleball lessons are scheduled for Saturday, June 13th, 20th, and 27th, 2026. Ms. Anna Walters, USA Pickleball Ambassador will be the instructor. I have ordered three pickleball rollers to clear water from the courts after a rain.

I have met with Clinch Mountain Contractors and Factory to You fence regarding the 4' fence install for the pickleball court. Factory to You submitted a quote of $3,000.00 as of this writing. I am awaiting the quote from Clinch Mountain Contractors.

July 2026 - Cumberland Forest Community Fund has awarded our Farmers Market project $15,000.00. Our Farmer's Market is now funded:

o Cumberland Forest Community Fund:	$15,000.00	Electrical
o AFID Infrastructure Grant:	$44,000.00	Structure
o Local Match:	$29,000.00	
Total	$88,000.00	

The Request for Proposals will be developed for the Farmers Market in the next couple of weeks.

Barge Design Solutions has agreed to do a profile elevation scan on the Basketball Courts to help determine the reason water is pooling. I should have the results on July 14th.

- **Events**

July 2026 – The July 3rd, 2026 concert event went well. It is estimated that 3,000 people attended the event. Special thanks to the Scott County Tourism Committee and the VA250 Committee for hosting the event on Legion Field.

The Economic Redevelopment Committee met with local retail businesses on June 17, 2026. The committee wanted to learn from the local businesses what type of events they would like to see and how we can better market the Town.

The businesses suggested to have a 'Galivanting Gate City' event every Thursday night from 5.00 PM until 9.00 PM. The local businesses will host the event will have local makers & crafters, handmade goods, boutique shopping, and restaurants, in front of their business along Jackson Street. **Council Action: Approve the 'Galivanting Gate City' event for every Thursday.**

The local business would like to have billboard advertising on Rt. 23. This issue is under new business to discuss in further detail.

I am going to start planning for the King Alleyween and Veterans Day program this month.

- **Engineering Procurement**

February 2026 – VDOT has approved our proposed interview questions and has cleared the way to interview the prospective engineering firms. Action Item: Determine date to interview firms.

March 2026 – The interview team met with three prospective engineering firms on February 25, 2026. The interview team scored and sent their recommendations to VDOT. Once VDOT approves the process and scoring methodology, we will be ready to start the contract negotiations.

April 2026 – We received feedback from VDOT on April 7th, 2026, approving our process and recommending proceeding with the contract approval. I will be meeting with the interview team to review the contract shortly.

June 2026 – I have met with Mattern & Craig, Inc and discussed the GES contract. They are amendable to having a one-year contract that can be renewed for three years. I have asked them to look at the insurance coverage.

July 2026 – Mattern & Craig, Inc has resubmitted a GES contract for one year that can be renewed for three years. **Council Action: Approve GES contract for one year.**

- **DHCD CDBG Margie Street Housing Rehabilitation Planning Grant**

Phase I and Phase II of the Park Street Housing Rehabilitation Project are now complete. Margie Street has been identified as our next priority. The Town's 2019 Housing Needs Assessment documented that 15 of the 18 homes on Margie Street need rehabilitation or substantial reconstruction, ranking it as Priority #2 for implementation directly behind Park Street. The Town is eligible to apply for a DHCD CDBG Project-Driven Planning Grant — a 100% grant up to $75,000 — to conduct walk-through inspections, income surveys, and cost estimates needed to

build a competitive application for a future CDBG Housing Rehabilitation Project Grant (up to $1,500,000).

Council Action: Approve application for the DHCD CDBG Planning Grant for Margie Street and schedule a Public Hearing for June 9, 2026 to inform citizens about the proposed project. We will need to conduct a Project Management Team prior to June 30, 2026 to complete our application.

June 2026 – The first Public Hearing for the Margie Street DHCD CDBG Planning Grant will be held on June 9th, 2026. A Management Team meeting must be scheduled prior to June 30th, 2026.

July 2026 – The Planning Grant application has been submitted to DHCD. Council has approved the Management Team roster and they met on June 18th, 2026. A very brief overview of the project was discussed with the Management Team.

C. **Attorney Report** – NO REPORT

D. **Council Reports** – (Any new business from Committees that needs to come before the Council.)

Pat Elliott: No Report

Dexter Harmon: Asked when the town will be removing the remainder of the decorative lights that are not working.

Town Manager, Greg Jones, told him as soon as possible. It has to be done by an electrician. It is not a problem taking them down, but it needs a junction box at the base to cover the wiring. Need to readvertise for bids. It is not in this year's budget.

Kevin Barnett: Gate City Frontier had their meeting. They are planning to do the Back to School Bash at the high school. Gate City Frontier if possible wants to do The Harvest Moon Festival, but Jackson Street would have to be closed if the event is held in town.

Allen Dougherty: Is there anybody that we could partner with on a paver"... To buy one and share ownership or to rent one...just something to think about.
Would like to see picnic tables & benches at the dog park and suggests donations to fund it.

Wallace W.. Ross Jr. On Park street at the beginning the park could that be a one-way street; the street is narrow and with people parking on the sidewalks the sidewalks are not usable.
Mr. Ross again brought up wanting to see signs welcoming people to Gate City on the highway on both ends of town,
People walking in the road on Solon Street-NO sidewalks.
Mr. Ross again requested 2 bathrooms at the pickleball & tennis courts one for men & one for women.
Need to get quotes for a gate at the basketball & pickleball courts.

E. **Police Department** – Chief Terry Sivert

JUNE 2026

	May 2026	June 2026	Year to Date
Calls for Service	286	280	1873
Arrest	4	8	30
Summons	23	9	178
Incident Reports	8	4	36
Accident Reports	6	4	23
DUI Arrests	0	0	2
Vehicle Unlock	5	6	34

Significant Activity & Reporting for June 2026:

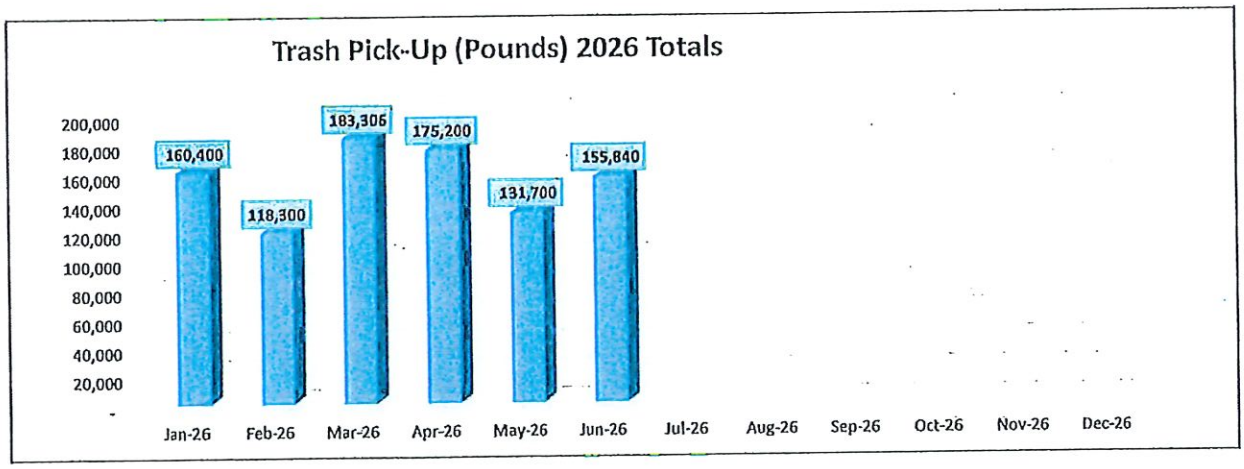

- Our officers are continuing to work several hours DMV selective enforcement for speed and alcohol. All grants are currently on schedule and have completed all audits.
- GCPD continues to conduct routine patrol and community policing.

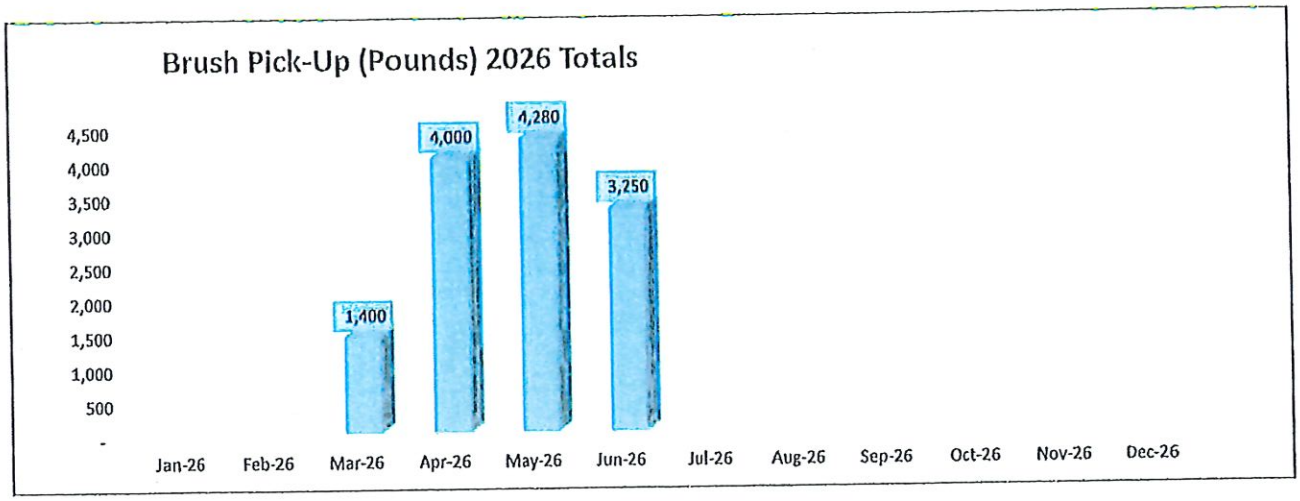

F. **Sanitation Authority** – Barry Wolfe will be added as a board member to Sanitation Authority

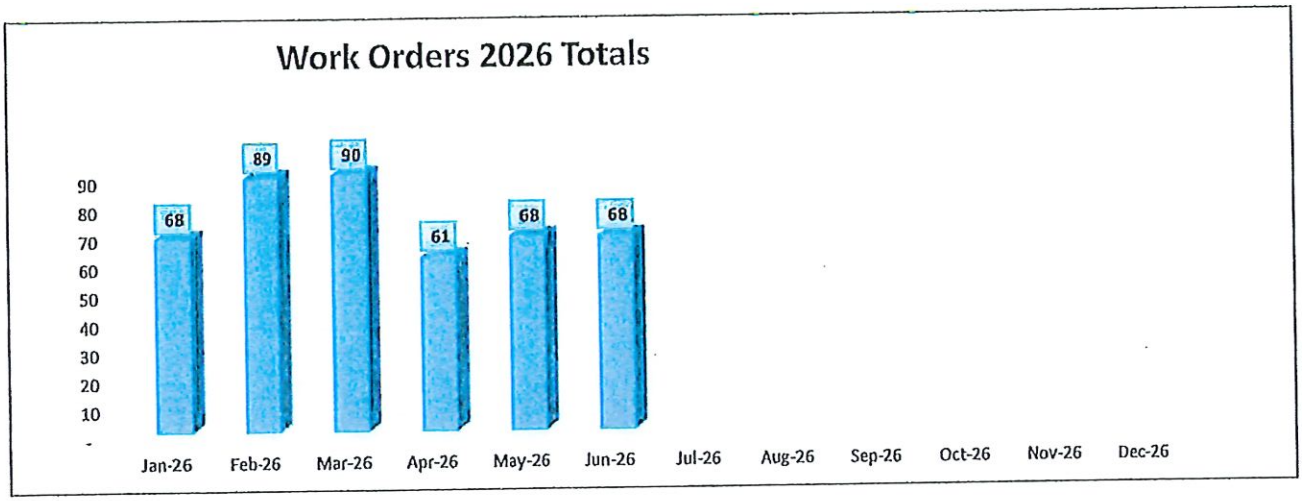

G. Public Works – Dale McConnell

CERTIFICATION OF CLOSED MEETING – Read by: Town Attorney Michele Brooks

WHEREAS, the Gate City Town Council has convened a Closed Meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of the Virginia Freedom of Information Act; and

WHEREAS, Section 2.2-7312 of the Code of Virginia requires a certification by the Town Council that such closed meeting was conducted in conformity with Virginia law.

NOW, THEREFORE, BE IT RESOLVED that the Gate City Town Council hereby certifies that to the best of each member's knowledge, (1) only public business matters lawfully exempted from open meeting requirement by Virginia law were discussed in closed meeting to which this certification applies and (2) only such business matters as were identified in the motion convening the closed meeting were heard, discussed or considered by the Gate City Town Council.
